TRACK: WORKING CODE

Handbook Page 20 Specification

Team & Roles	**Sprint Force:** Francis Sampah (PO), Radeeya Wuntia (SM), Sumaila Suadik (Dev), Samuel Fosuhene (Dev), Amin Fusheini (Dev)
Client in One Sentence	Large German enterprise managing external IT vendors under strict ArbZG labor compliance and fixed purchase order budgets.
Who Buys It & Who Uses It	Bought by Head of IT Procurement; used daily by External Consultants, Project Leads, and Financial Controllers.
What We Delivered	Full-stack working code with ArbZG compliance guardrails, predictive runway burndown, 1-click approvals, and 6 ADRs.
What We Left Out & Why	Left out SEPA banking payments and invasive desktop monitoring to eliminate co-employment risks and protect privacy.
Price Per User Per Month	Order-based enterprise subscription: **€1,450/month** for up to 25 active POs with unlimited users (~€9.60/user/mo equivalent across 150 contractors; avoids seat-licensing barriers).
Video Timing Breakdown	Part 1 Business: **0:00–2:30** · Part 2 Technical: **2:30–5:00** · Part 3 Agile: **5:00–6:00** (Total: 6:00).
